GAB FAB

This is one protest we'd love to get behind

WE'VE never had a problem with fur – especially PUSSY FUR – but it bugs the hell out of *Celebrity Apprentice* contestant **Gabi Grecko**.

The stunning-but-relentless self-promoter is the latest celebrity face (and delectable body) of PETA in its successful, long-running "say no to fur" advertising campaign.

"I'm known for stripping down on the fly, but this time, I wanted to do it for a really good cause," the lil' Aussie battler told tabloid journos. "With PETA's help, I want to show the world that only a coward would hurt animals by wearing fur.

"I love the look of fur but would never wear the real thing."

You've convinced us, Gabi – we're chucking out our baby seal slippers RIGHT NOW! But not the panda fur underpants… they're waaaaay too comfy.

To see more celebs peeling off their clobber for PETA, turn the page!

PETA THAN SEX!

The animal rights group's sexiest celeb protest ads!

AUSSIE Gabi Grecko (see previous page) may be the latest celebrity to strip off for People for the Ethical Treatment of Animals (PETA), but she joins an illustrious list of famous femmes who've bared their bods to highlight man's inhumanity to our friends lower on the food chain.

Apart from other local lovelies such as **Sophie Monk**, **Annalise Braakensiek** and **Imogen Bailey**, PETA has utilised the services of such overseas stunnas as **Pamela Anderson**, **Jenna Jameson**, **Pink** and **Eva Mendes** in raunchy advertising campaigns since 1991.

Whether it's protesting against folk wearing fur and leather products, encouraging animal owners to neuter their pets or telling people to go vegan, these ads all have one thing in common: the stars are wearing nothing but their CONVICTIONS.

As a gesture of solidarity, we present some of PETA's finest work. And, no, this is NOT a cheap excuse to run a bunch of pix of famous naked chicks.

Well, perhaps a bit.

THE NEAL Appeal

Sand, sunshine and sexy lady? Sorted

PHOTOS BY IMM

IT'S not often we'll call a woman perfect, but **Nicole Neal** is just that, readers. PER-fuckin'-FECT. Especially when she's photographed at some exotic Euro-beach resort without her clothes on!

So why is the 22-year-old Pommy pin-up so in demand these days?

"If you look around, you'll see Britain is suffering from a lack of hot blondes right now," she told one sweating journalist. "It's mostly brunettes and a few redheads, but hardly any blondes. I think that worked in my favour and got me noticed."

With looks like that and tits to boot, getting noticed was inevitable for this Bournemouth beauty. And did we mention her pert posterior? Perrrrfect.

Which begs the question: how in the HELL does an honest

> 'IT'D BE GREAT TO BE IN SYDNEY FOR NEW YEAR'S EVE'

working-class bloke pick up a chick so clearly out of his league?

"I like to be introduced, then if we have similarities we can chat," Nicole explained patiently. "The main thing is that I have to be able to talk to him. However, to win my HEART you need to be loving, caring and really funny."

We're in then…we taught Jim Jefferies every joke we know. That's right, TWO jokes!

Truth be known, we usually tune out and watch the footy on the telly when a girl tells us her life story at the pub. But with Nicole we'd make an exception.

We'd look her straight in the eye, only glancing occasionally at her awesome orbs.

Speaking of bosoms, we hope to see them Down Under one day: "It'd be great to be in Sydney for New Year's Eve and see the Harbour Bridge."

'BRITAIN SUFFERS A LACK OF HOT BLONDES'

Brilliant! She could stay with us. We have a couch.

So where else would Nicole like to visit?

"I've always wanted to go to Thailand – and when I arrive I'd eat all of their food."

Why bother, mate? We've got plenty of beaut Thai restaurants in Oz.

ROCKING THE BOAT

TOE-RIFFIC!

ENGLISH pop beauty Rita Ora must have forgotten to open a tin of Whiskas this morning because her pussy is eating her swimsuit! Sorry, old joke. But what a fantastic new view of the 24-year-old as she holidays with friends on a yacht in Ibiza. We don't mind if she ain't singing when her lips are this perfectly in sync.

FASHION DATE

BEY GOT BACK

"DOES my bum look absolutely awesome in this?" Yes, **Beyoncé**, it certainly does. It also means we owe a beer to the clever folks at US *Vogue* (it's from their bumper September ish) and champion snapper Mario Testino. And to the generously endowed 33-year-old performer herself, of course. She's not short of places to rest it.

BREAST FOOT FORWARD

GISELE'S SELLS

OUR knowledge of shoes doesn't extend far beyond our trusty Blundstones, Dunlop Volleys and cheap thongs, but apparently Yank Stuart Weitzman is a wiz at designing the things. Bloke must be or he couldn't afford to have Gisele Bündchen star in his new adverts. The 35-year-old Brazilian super-dupermodel even flashes a bit of bosom in our fave image from the campaign. Hooray for shoes!

Stay tuned for more of Cas's friends with ball-draining benefits, readers.

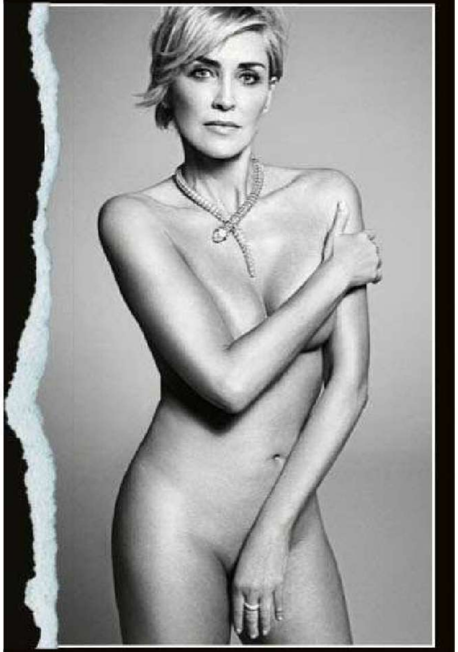
It's so stupid. I don't know what to do." Mate, you're drinking at the wrong pub!



DOUBLE HELPING

BRIT PARADE

CURVY crooner Britney Spears, 33, has been in the music game long enough to know how to deliver value for money to her fans. Hell, she can't even crouch down at a function – in this case, the Teen Choice Awards in LA – without giving us an eyeful of both her cleavage and her undercarriage. Don't ever quit, Brit!

NATURALS ACTING

NAUGHTY FORTIES

IN 2014 comedy *Fort Tilden*, gal pals set out on their pushies for a day at the beach…with no bloody clue of how to get there. Well, judging by these screen grabs, they make it in the end. The cycling obviously leaves them hot and sweaty, though, so they have to free their flabdabs and cool down. Nice work, (from top) **Bridey Elliott**, **Hallie Haas**, **Clare McNulty** and **Christine Spang**!

HELLO, I'M…

SUSY GALA

WHO am I? I was born in Barcelona, Spain some 20-odd years ago. I grew up to have a rockin' bod and entered the porn biz in 2012. And my palm-blistering screen appearances include *Temporary Dates 1*, *Follow Me 2* and *Porn Heroes 4*. If you answered Susy Gala, you're 100% correct! Then again, her name is written at the top of this fuckin' story.

WET SETTING

IRELAND PARADISE

AMAZONIAN model **Ireland Baldwin**, daughter of Hollywood royalty Alec Baldwin and Kim Basinger, is 19 years young, stands 6'2" and has been linked to female rapper Angel Haze. So, yeah, she's probably not for you, fellas. Doesn't mean ya can't appreciate what a sudden New York City downpour does for the contents of her tight-as T-shirt, but!

"VETERAN" UFC Octagon Girl **Arianny Celeste** (she's only 29) has been tastefully teasing the camera of Xander Angeles for *FHM* mag in the Philippines. Alas, as beaut as the results are, they've hit us right in the goolies, so referee "Big" John McCarthy is gonna have to deduct a point. Who knew a low blow could feel so good?

As well as being a study of people willing to risk everything for their political beliefs, it's also quite the perv.

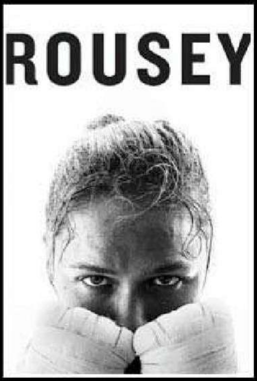
THE BADDEST CHICK ON THE PLANET!

How Ronda Rousey armbarred her way into our hearts

UFC women's bantamweight champ **"Rowdy" Ronda Rousey** is the toughest woman alive – and she's on her way to conquering the globe the same way she's conquered every competitor who's squared off against her.

The undisputed champion and queen of the armbar is unbeaten after 12 pro fights. Rousey's list of achievements are as impressive as her super-quick victories inside the Octagon:



- Her new autobiography *My Fight/Your Fight* is on the bestseller list and will soon be made into a Hollywood film (starring Ronda as herself)
- She sizzled in a bikini pictorial in the 2015 *Sports Illustrated* "Swimsuit Issue". The mag also named her "the world's most dominant athlete", AND
- The brutal blonde won Best Fighter at this year's ESPY Awards, pipping top boxer and notorious wife-basher Floyd Mayweather. Ronda snarled afterwards, "I wonder how Floyd feels being beaten by a woman for once."

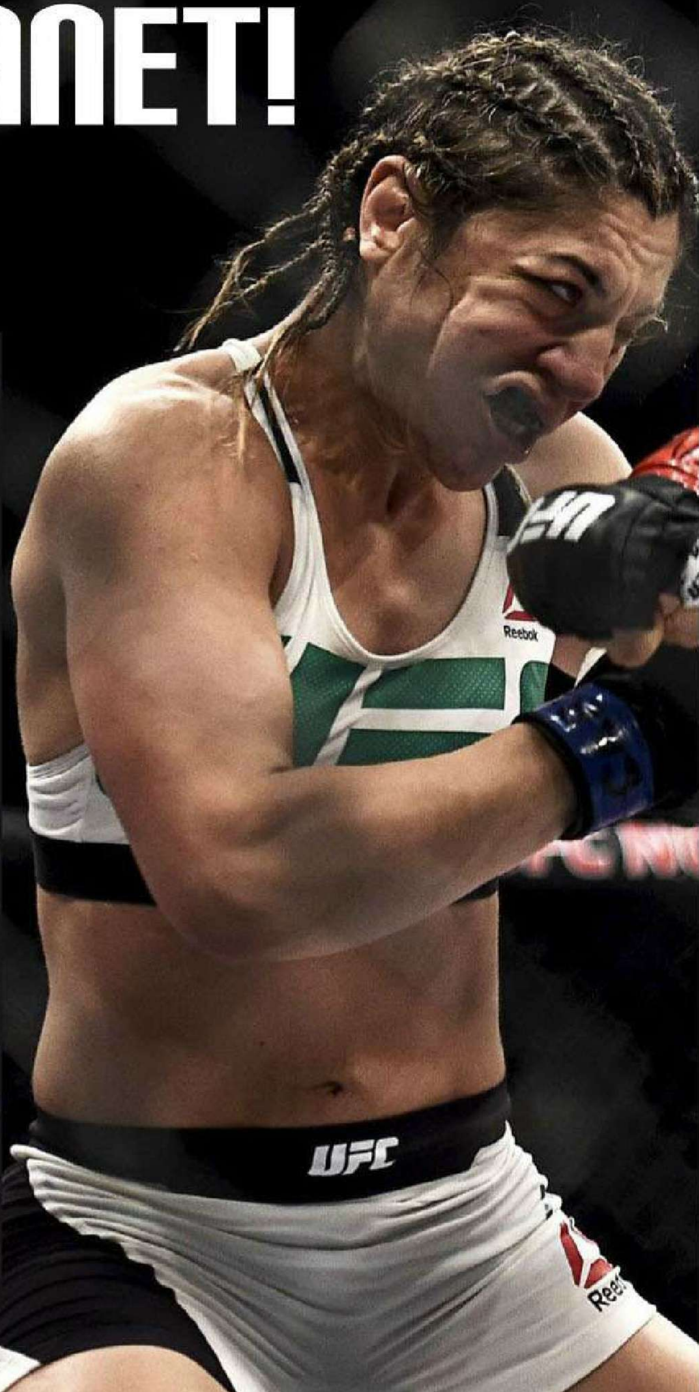
The 28-year-old Californian – who feels she was dissed by Mayweather when he pretended last year not to know who she was – went on to say she would thrash the multi-world title-holder in a real fight.

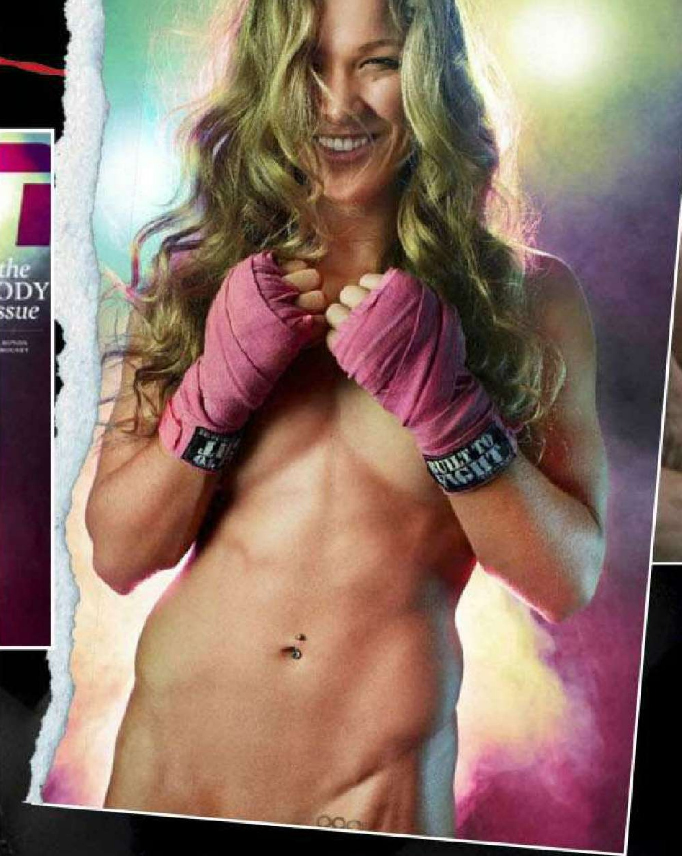
"Floyd's one of the best boxers of all time," Rousey told journos. "He'd definitely beat me in a boxing match. Unfortunately, I don't get into 'matches'. I fight for a living. In a no-rules fight, I believe I can beat anyone on this planet."

If such a war ever came to pass it'd be the biggest fight in history, as both warriors' names on the marquee are guaranteed money in the bank.

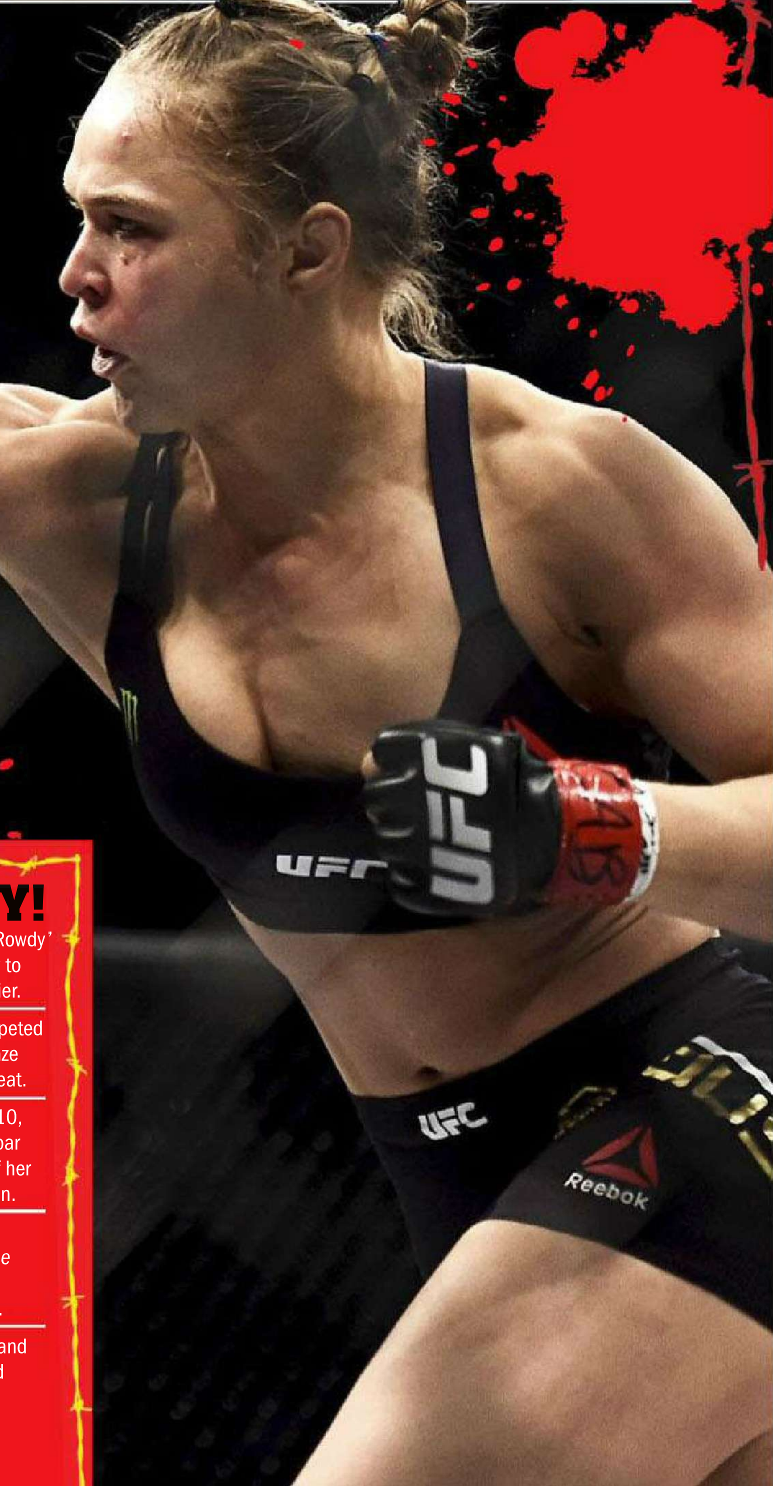
Ronda's most recent main event with Bethe Correira at UFC 190 was a case in point. Leading into the match, the Brazilian appeared to make a joke about Ronda's father, who committed suicide when she was eight.

This only served to make Rowdy even ROWDIER, and she beat the shit out of Bethe, ending the contest 34 seconds into the first round with a right hook to the temple. ▸





On top of her game in *Entourage*, against Bethe Correia (below) and in *ESPN* mag's 2012 "Body Issue" (left)



LET'S GET ROWDY!

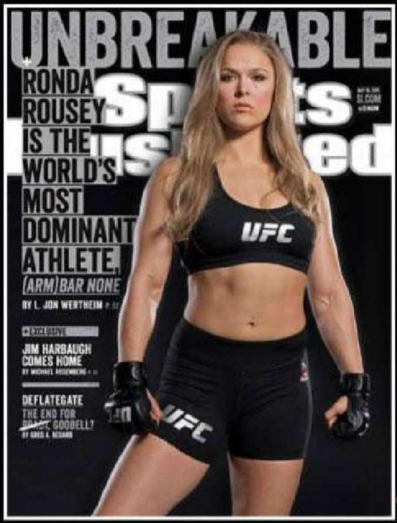
- Ronda took her nickname from pro wrestler "Rowdy" Roddy Piper. She dedicated her UFC 190 victory to the Hot Rod, who'd passed away a few days earlier.
- Rousey is a world champion judoka who competed in the 2004 and 2008 Olympics, winning a bronze in 2008. She was the first Yank to achieve that feat.
- After beginning her MMA career in August 2010, she used her judo skills – most notably the armbar – to dominate her early bouts. She's won nine of her 12 professional fights with an armbar submission.
- Naturally, Hollywood came calling and Ronda is now in huge demand. She's landed roles in *The Expendables 3*, *Fast & Furious 7* and *Entourage*. She starts filming action flick *Mile 22* in January.
- Rowdy's next challenge is long-time nemesis and No. 1 contender Miesha Tate, possibly at the end of this year. Rousey has had her toughest fights against Tate, but prevailed on both occasions.

‘I AM VULNERABLE. THAT’S WHY I FIGHT’

The punch sent the outgunned Correia crashing to the mat unconscious in front of her home crowd, the first loss of her MMA career.

A fuckload of punters paid to see the destruction – the third fight in a row Ronda has won in less than a minute – with UFC 190 now on track for a monster PPV buy rate. It proves that Rousey is far and away the UFC’s No. 1 draw…and a crossover star with people who don’t normally follow the bloodthirsty sport.

But Ronda has battled long and hard to become the wealthy, successful athlete she is today.



In her autobiography, the 2008 Olympic judo bronze medallist goes into great detail about her ongoing struggles, kicking off with her birth when she was nearly strangled by the umbilical cord.

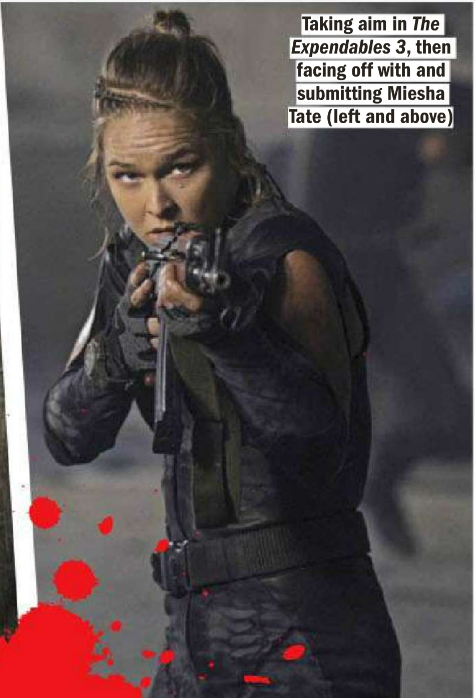
The soul-destroying death of her father saw her channel her pain and anger into a judo career. Years of gruelling training, testing injuries, bulimia, drug abuse and a really crappy run of dickhead boyfriends have ultimately been worth it now that she’s a world champion and an idol to millions of men and, increasingly, women.

Of course, when you’re this good, you have plenty of critics lining up to tear you down. But the haters don’t bother Ronda one bit.

“There have always been people who have written me off,” she writes. “They’re not going away. I use that to motivate me. I’m driven to show them just how wrong they are.”

However, once the fame, fortune and accolades are set aside, Ronda’s main focus is always on her next fight. And God help her opponent…

“I want her to look at me,” she writes. “I want her to stare me in the eye. I want her to see that I have no fear. I want her to know she stands no chance. I want her to be scared. I want her to know she is going to lose.”



Taking aim in *The Expendables 3*, then facing off with and submitting Miesha Tate (left and above)

NO SEXPERIENCE

I AM 19 and I've never had sex. I'd like to know what's the best way to please a woman when I do finally have sex. Can you help?

VJ, NSW

■ Darling, I wish I could tell you where the "button" is located and what time to press it, etc. Sadly, everyone's different, so what turns me on may completely turn someone else OFF. Sex is a very personal thing, VJ. The only way you're going to know what she's into is to either do it or ask her. Be honest about being a virgin…that in itself turns some women on. Being honest will help you as most women will spend the time telling you what ticks their boxes and takes them to the next level. The more you know the better you'll perform and the greater the sex will be for both people. This is a great time in your life, so be safe and enjoy all its moments – even the shitty ones – as they're all part of your journey. Have a laugh and keep trying.

> 'BE HONEST ABOUT BEING A VIRGIN …IT TURNS SOME WOMEN ON'

IN THE WILD

***PEOPLE* magazine ran a story about this recently, but I now wanna ask Australia's hottest stripper the same question. You've been everywhere so which state has the sexiest and WILDEST chicks?**

Curious George, Qld

■ Haha! When you're talking wild are you talking about "sexy" wild or "outgoing" wild, Curious George? Australians on a whole are pretty fucking wild to me. I'd have to say the boobs are bigger on the Gold Coast, so if you're a breasts man you may wanna head there. In terms of this country's wildest chicks, it depends on the event…the wild women are spread around Australia. When it comes to strip clubs, Queensland rules are "wilder" than other states, so some say there's more value for money there.

SEXPERIMENT

JEWELL, I'm trying to get my girlfriend to try new things in the bedroom. I tell her how previous partners have let me try things and that my mates' partners are trying certain things. However, that makes her clam up even more! How do I get my gal to relax and experiment?

Chris, Vic

■ Chris, what's good for someone may be entirely wrong for another, simply because we're all different. But that's totally fine. Some women prefer a man who'll take control during sex. Trust me, if she doesn't like it you'll know. Some are too shy to talk about it and would rather let it happen naturally. Some are so new to the "sex" world they've not tried much and so they actually don't know their options. Try new things and if she doesn't like them, then stop. This builds trust between you. Telling a woman who's not comfortable about trying new things that others have done it, does not necessarily mean she'll then want to try them out. In fact, some women feel inadequate and the pressure makes her question herself and the relationship if she doesn't follow the crowd.

RIDE 'EM, COWBOY!

FONDEST Jewell, I somewhat accidentally shagged a pre-op tranny after a boozy day at the races. Should I get tested? We barebacked.

Mitch, Qld

■ You should get tested no matter what! You barebacked with someone you don't know – that's the scary part for me, not the fact that it was a pre-op tranny. I think you have your priorities messed up on this one, Mitch. It's easy to look back and laugh at fucking a tranny on a drunken night, but it sure as hell won't be funny down the track if you caught something and didn't get checked out by a doctor! The rule should always be no glove, no love. No matter how drunk you are, buddy, this is your life – and perhaps other people's lives – you're playing with and that's no laughing matter.

MY seven-year-old son and I were at the zoo when he suddenly shouted, “Look, dad, a frickin’ elephant!”

“Oi!” I said angrily. “Who said you could use bad language like that?”

“But that’s what the sign says, Dad!” my son protested.

I was about to tell him off for lying when I saw what was on the sign: “A-F-R-I-C-A-N elephant.”

Lips sealed

A WOMAN goes to her local doctor with an awkward complaint.

She whispers, “My labia’s way too big. Is there any surgery available to reduce the size?”

“Certainly,” says the doctor. “We’ll book you in immediately and, with a little nip-tuck, your lady bits will be as tight and tiny as you please!”

She’s ecstatic, but has one major fear: “I’m embarrassed and I don’t want anyone to know I’m having surgery.”

The doctor reassures her that it will be a secret, and the relieved woman goes in for surgery.

When she wakes up, the first thing she does is use a hand-mirror to take a peek at her pants.

“Oh my God!” she smiles. “It’s amazing! I’ve finally got the tiny pussy lips I’ve always wanted!”

Just then, the woman notices a bunch of flowers and some balloons on the bedside table.

When the doctor comes in to check up on her, the woman says snippily, “Hey! I thought you were gonna keep my surgery secret. Who gave me those flowers?”

“Relax!” soothes the doctor. “They’re from the hospital. Every patient gets them, regardless of the type of surgery.”

“I guess that’s all right then,” the woman says, grudgingly.

“Although…” the doctor grins, “the balloons are from the burns victim in ward 10. He loves his new ears!”

BEST JOKE

Feline angry

LOU absolutely hated his wife’s cat and hatched a plan to get rid of it. One day after work, he put the cat in the car, drove to the park and left it there, thinking he’d tell his wife it ran away.

However, as he was going up the driveway, who should he see but the cat, sitting on the doorstep! The bastard had found its way home!

The next day, an annoyed Lou decided to abandon the cat in a park two suburbs over. Yet again, as he pulled up to his house, the moggy had already beaten him back!

For the next few days, Lou drove further and further away, until he was all the way on the other side of town.

But no matter what, by the time he got home, the cat was there first.

Eventually, Lou put the cat in his car and drove until he was in a suburb on the other side of the city, thinking there was no way the cat would be able to get back from there.

Later that evening, Lou’s wife got a phone call.

“Marge, I just have one question. Is the cat there?”

“Of course he is,” came the reply. “Why do you ask?”

“Put that sonofabitch on the phone,” growled Lou. “I’m lost and I need directions home!”

"I think you'll need intensive therapy if you're a grown woman and still believe in bogeymen!" the shrink told her. "I can help you, but it'll cost $100 per hour."

The blonde said she'd go home and think about it. The next day, she came back to the shrink's office, saying she didn't require his services.

"The problem's gone!" she announced happily. "I don't believe bogeymen will get me anymore and I didn't even need your silly therapy!"

The shrink was surprised. "How did you manage to cure yourself?"

The blonde confided, "Easy! I chopped the legs off the bed."

Carpet burns

A CARPET layer had just finished putting down new carpet for a rich lady. Stepping out for a smoke, he patted his pockets only to find that his cigarettes weren't in their usual place.

Walking back into the apartment, he noticed a lump under the carpet, right in the middle of the room.

"Oh, shit," he muttered. "There they are. Well, no sense in pulling up the whole carpet just for a pack of smokes."

Picking up his hammer, he proceeded to pound the lump until it was completely flat and unnoticeable.

As he was tidying up, the owner of the apartment walked in.

"I found your cigarettes in the hallway," she said, handing him the pack. "Now, if only I could find my darling pet chihuahua!"

Watch it

ONE day at school, Lil' Johnny noticed his best mate Jimmy was wearing a new watch.

"Where'd you get that cool watch?" he asked.

"My dad gave it to me," Jimmy replied. "Last night, I heard these weird grunting noises and the sound of a creaking bed coming from Mum and Dad's room. When I ran in to check it out, he gave me this watch just to make me go back to bed."

That night at home, Lil' Johnny lay awake listening for strange sounds from his parents' room.

As soon as he started to hear groaning and the sound of a creaking bed coming through the wall, Johnny leapt out of bed and ran into his parents' room.

"I wanna watch! I wanna watch!" cried Johnny, jumping up and down.

"Fine!" growled Johnny's dad. "Then sit over there in the corner and keep the friggin' noise down!"

Cops and robbers

A POM, a Frenchman and an Irishman were robbing a grocery store when, suddenly, cops burst in. In a panic, the three blokes spotted three potato sacks and hid inside them, hoping they wouldn't be noticed.

As the cops passed by, one of them kicked the first potato sack.

"Woof!" yelped the Pom.

The cop shrugged. "Just a dog." Walking on, he kicked the next potato sack.

"Meow!" cried the Frenchman.

"Hmm, must be a cat," said the cop.

Finally, he kicked the third potato sack. The Irishman yelled, "POTATO!"

FRENCH Kiss

We wanna slip our tongues in her mouth ...and elsewhere!

PHOTOS BY DDF PROD

FORTY TRIPLE DEE. We repeat, 40DDD. Wrap yer head around that, fellas. Or, better still, let **Anastasia Sweet** wrap her MASSIVE TITS around YOUR head… the one on top of your neck or the one below your beer gut. Either way, you're guaranteed a FUCKING GOOD TIME with this 20-year-old French stunna!

WE'RE confused. Your Twitter profile says you're from Russia. Yet elsewhere we've read you're French. You have no right to make us this confused when we're sober.
"I'm sorry…I was born in St Petersburg in Russia, but moved to Lyon in France as a baby. I grew up there and I now live in Paris…although I spend most of my time travelling around Europe doing modelling jobs."

‘MY BOOBS CAN STOP TRAFFIC’

Well, thanks for clearing that up, Anastasia. Now, tell us about your STONKING PUPPIES!
"They were pretty big to begin with when I first got into modelling. But then I decided to get an upgrade and I thought, 'Go big, Ana!" So I did!"
Do they get a reaction even when you are covered up?
"Men and women can't stop staring at my boobs. I stop traffic – and I'm not joking! I've walked down boulevards in Paris and had cars scream to a stop ▸

LUCKY DIP

YOU'RE a fan of plastic surgery. What's been your most recent procedure?

"I just had a nose job – I even posted a photo of me wearing bandages on Twitter (**@anastasiasweet**)."

Were you nervous about seeing the end result?

"No. I was excited removing the plaster to discover my new doll nose. I love it!"

when they saw me bouncing along the boulevard. I find it very amusing."

Are your plapps still sensitive after the surgery?

"Yes. In fact, probably more than they were before the operation. I can't get enough of having them fondled and licked but, please, no biting or tweaking my nipples. That's not cool."

You're not a radio. Can women play with them, too?

"I prefer being with chicks. I love to kiss and hold a woman. Or share a sensual, soapy bath with candles and burning incense. Afterwards, there is gentle loving in bed between satin sheets. Mmmm... I adore all that. But if I require a sweaty, no-fuss sex session, then I need a man."

How about having something stiff nestled in that fleshy ravine?

"I enjoy that very much. It doesn't take long for a man to climax in that position, and I'm usually not far behind him."

Off the topic, can you cook or do you prefer someone to cook for you?

"I do both – it depends on my mood. But I love being spoiled, so I'll always say yes if someone wants to cook for me. I'm a big fan of traditional Russian dishes such as borscht, which is so yummy!"

Please, please, PLEASE tell us that you're single, Anastasia.

"Actually, I'm presently in a relationship with an older gentleman, but it's very complicated. He's rich and married – I don't expect him to ever leave his wife, but I look forward to him showering me with lots of expensive gifts and holidays for many more years."

Can we come with you? We'd love to go somewhere warm and exotic.

"Thanks for the offer, but I don't think my lover would approve."

You don't have to tell him – we'll hide in your cleavage. He'll never find us.

WHAT'S YOURS, DARL?

NOTHING beats sipping on a frosty beer in the sun, eh?
"It's my favourite thing to do. Some girls drink white wine or some fancy fucking cocktail, but not me."

What kind of beer do you enjoy most, Sandra?
"If it's a hot day in the sun, then serve me lager in an ice-cold glass. It goes down like water and I'm anyone's after a few drinks."

Is that when your inner sloot comes out to play?
"Pretty much."

Good girl. What'll it be?

EMILY RATAJKOWSKI

'Blurred Lines' video brought this stunna into sharp focus

BREAKTHROUGH actress, model and international sex symbol **Emily Ratajkowski** isn't your average pretty face. The *Gone Girl* star declared to *Rolling Stone*, "I want to be a model who breaks boundaries. I'm not typical. I'm not 5'10". I'm not an A-cup. I think the industry is moving towards this direction."

Absolutely! The fashion industry needs more D-cup wielding 5'7" babes, 'cos sometimes good things do indeed come in small (busty) packages.

As both a successful fashion model and a budding thespian, Ratajkowski – fuck it, let's just call her "EmRat" – is definitely breaking boundaries. BLURRING LINES, even.

Haha! Did you see what we did there? OK, no matter how cool your musical tastes, at some point during the past two years you've probably drunkenly busted a move to hit single *Blurred Lines* by Robin Thicke, Pharrell Williams and T.I.

Not only was the song so bloody catchy it topped the charts in 20 countries in 2013, its controversial video clip featured starkers models, one of whom was the relatively unknown EmRat. It says something about the impact she made on viewers that she immediately shot to "household name" status.

While the video copped a lot of flak, Emily says she's always been comfy getting nekkid.

"I didn't feel objectified when I was making it," she told *GQ*. "I felt like I was having a lot of fun as a sexual person." Which is great, because we had a lot of fun watching her as a sexual person!

"If there's one thing I'd request, it's for people who see me out to not be, like, 'You're the hottest bitch in this place!' When [*Blurred Lines*] comes on in a bar, I run into the bathroom and hide."

Born in London but raised in California, Emily owes her ravishing looks to her Polish/Irish/Jewish/German roots. Her carefree attitude to baring comes from spending a lot of time topless on European beaches!

She got into acting at a young age and even appeared in a couple of episodes of Nickelodeon TV series *iCarly*.

In the meantime, she used her obvious assets to kickstart a career in modelling.

During college (she's also a smartie), EmRat built a strong profile, appearing in fashion campaigns and posing naked for arty magazines. She also turned up in a raunchy telly ad with former Playboy Playmate Sara Jean Underwood for US fast-food chain Carl's Jr. (We recommend you Google it!)

However, it was Emily's performance in the *Blurred Lines* vid that set her career skyrocketing. A whopping 406 million YouTube views later, EmRat's grabbed the attention of the planet, including film directors who can't wait

treats!

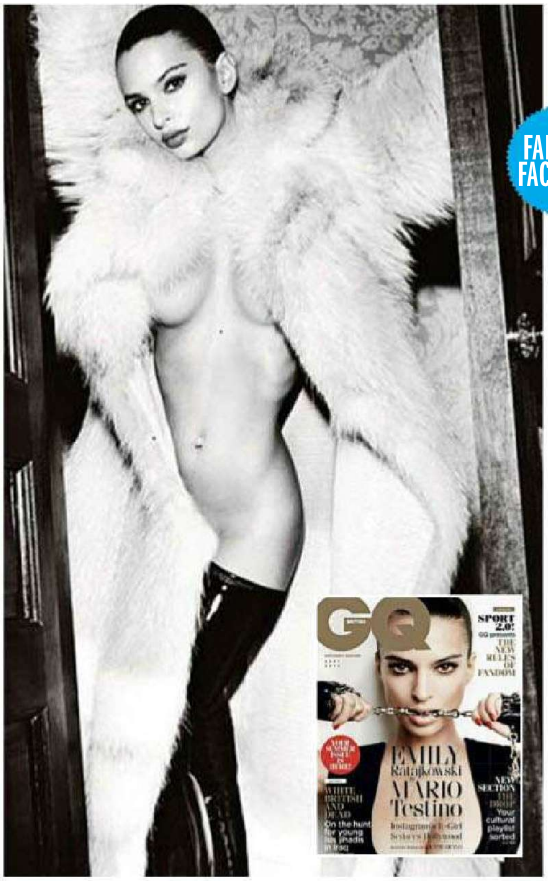
‘I HAD A LOT OF FUN AS A SEXUAL PERSON’



FAMOUS FACTOIDS

- Emily grew up without a telly and, as a result, has auditioned for shows she knew nothing about!
- Her karaoke song of choice is *Doo Wop (That Thing)* by Lauryn Hill. She NEVER sings *Blurred Lines*.
- The secret to pronouncing her unusual surname correctly is to ignore the “J”. In other words, “Rat-a-kow-ski”.
- When it comes to booze, Em’s faves include a cocktail of whisky, champagne, ginger and bitters. Fancy!

to cast her in juicy roles that show off her main attribute: her acting ability.

She made her Hollywood debut opposite Ben Affleck in 2014 thriller *Gone Girl*. This year, she played herself in the *Entourage* movie, and stars with Zac Efron in *We Are Your Friends*, currently in Aussie cinemas.

Now with so many opportunities coming her way, Emily’s just happy to rack up more great acting roles and modelling jobs. But, sadly for us, she plans to limit her boobular exposure going forward.

“I think I’ve done enough nudity now that I don’t really need to do *Blurred Lines* again,” she told *GQ*. “If someone asked me to do it now, I’d probably say no.”

To which we cry, “NOOOOO!”

EVIL TOONS

Bad babes and badder animation make a so-bad-it's-good flick!

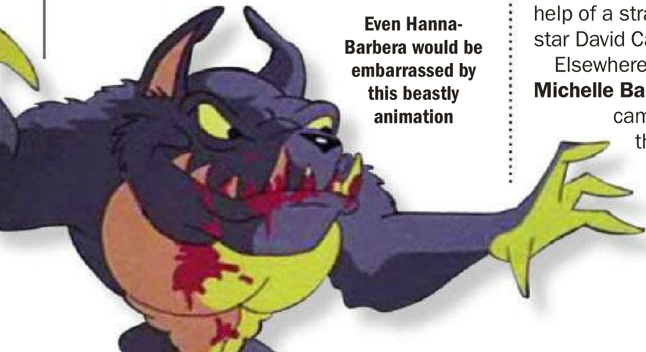
STOP us if you've heard this one before. A quartet of hot-as-fuck babes – played by scream queens **Monique Gabrielle** and **Suzanne Ager** and X-rated legends **Madison Stone** and **Barbara Dare** – are hired to clean an isolated old mansion for its new owners.

The hard work doesn't stop the four spunks from constantly undressing and flashing their robo-hooters every chance they get. Meanwhile, Madison discovers an ancient book of magic, foolishly reads one of the spells and conjures …well, it looks like a more cheaply animated version of Warner Brothers' Taz from *Looney Tunes*.

Mads gets possessed by the evil toon (so THAT'S how they came up with that movie title) and starts bumping off the other chicks. Can lone survivor Monique save her friend and destroy the monster inside her? Only with the help of a strange wizard (future *Kill Bill* star David Carradine in a fright wig).

Elsewhere, veteran B-grade screamster **Michelle Bauer** makes a special cans-out cameo for no logical reason…not that we care.

All in all, we gave *Evil Toons* a qualified thumbs up. After all, that cartoon monster is no Taz or Magilla Gorilla.



Even Hanna-Barbera would be embarrassed by this beastly animation

GRIZZLY SCENE

"EXCUSE me, sir, do you have a moment to talk about Jesus Christ!?" If a bear shoved his head through our front door and said that, we'd probably scream, "Holy fuck! A talking bear!" and then run like hell. We assume that's what Idaho house owner Doug Harder did when he saw this cute-but-scary sight.

CALL me foolish, but I recently got involved with my sister-in-law.

Star's a bigger chick than my missus, with watermelon boobs and a plump butt, which probably explains why I was tempted into banging her after a Saturday night dinner at our place.

You see, everyone had been drinking except me 'cos I'd been on antibiotics. So when the wife stumbled up to bed I offered Star a lift home.

She invited me inside when we got there and, in her drunken state, began climbing out of her clothes in front of me.

I stood there watching this juicy bum move from side to side as she entered the kitchen, then felt a twitch in my pants when I got a good view of her tits.

Without thinking I took off my shirt and I could tell she liked what she saw.

She eagerly led me to the bedroom and tore off the rest of my clothes.

I pulled her onto the bed, kissing every inch of that voluptuous body. I slid between her legs and went to work on her most precious parts. I felt certain this would turn into the best sexual experience I'd had in years.

STAR POWER

I eventually came up for air and rolled onto my back, inviting Star to climb aboard and ride me like I was a horse on a merry-go-round.

'I KISSED EVERY INCH OF HER BODY'

"I've wanted to make love to you for AGES!" were the only words to escape Star's lips other than her moans and groans. She rode me hard and fast, then really slow to savour every moment.

I could have gone over the edge at any moment but tried my best to hang on for as long as possible. Eventually, one last push ended proceedings with a BANG. We drifted off to sleep right there on the bed!

Needless to say, my wife had a few questions for me the next morning when I got home!

FEELING HAPPY

EVER wondered what it's like to bed a dwarf? Well, I had …and when the chance presented itself, I wasn't gonna say no.

Leah was drinking with some mates at my local pub when I saw her. She was sexy-as, but what caught my attention most was her thick red lips.

I could only imagine what they'd feel like wrapped around my old fella.

I bought them a round of drinks, then came over to work my magic. While I got some attention from Leah's regular-sized chums, I only had eyes for her.

The feeling was mutual. We got on like a house on fire chatting about music, footy and, after a few more shots, sex. She even confided that she was a great cock-sucker.

> 'LEAH SLID UNDER THE TABLE AT THE PUB'

We started pashing, but Leah's next move stunned me. While her mates went off to powder their noses, she slid under the table and unbuckled my trews.

No-one could see her as she pulled down my undies and went to work on my rod. I blew within seconds, but Leah kept on going and it wasn't long before I had a second climax.

I took Leah back to my place afterwards and we had an incredible night together. Good things really do come in small packages, eh?

PARK LIFE

I SPEND lunch at nearby parks depending on where the job takes me. I was walking along one day and was startled by a middle-aged female cyclist who lost control and veered into me. She apologised for the accident. I gave her a friendly smile and noticed her checking me up and down. I didn't see a wedding ring on her finger and my mind began to wander.

I told her my name and she introduced herself as Anne.

Before I knew what was happening we were walking to a secluded area of the park!

I couldn't stop perving on her big mature breasts. They were an easy D cup. Anne must've been a REAL beaut in her prime!

> 'HER BOOBS LOOKED INCREDIBLE IN THE FLESH'

She caught me perving and laughed, "Do you want to see them?"

She whipped them out before we fell onto a grassy patch and it was on for young and old.

I grabbed and kissed her heavy orbs, which were even more incredible in the flesh, and ran the end of my finger across the tips of her hard nipples.

"I love sucking cock," she blurted. As soon as I heard those words, I stopped what I was doing and freed the snake from my trouser and let her go for it.

I felt her soft lips around me and engulf the entire thing. I was dying to fuck Anne right there in the park, but I was too excited and things ended a bit prematurely.

We lay there for a while getting our breath back before cleaning ourselves up.

However, Anne gave me a kiss and her phone number, then asked if I'd like to come over for dinner that evening. I said yes, of course!

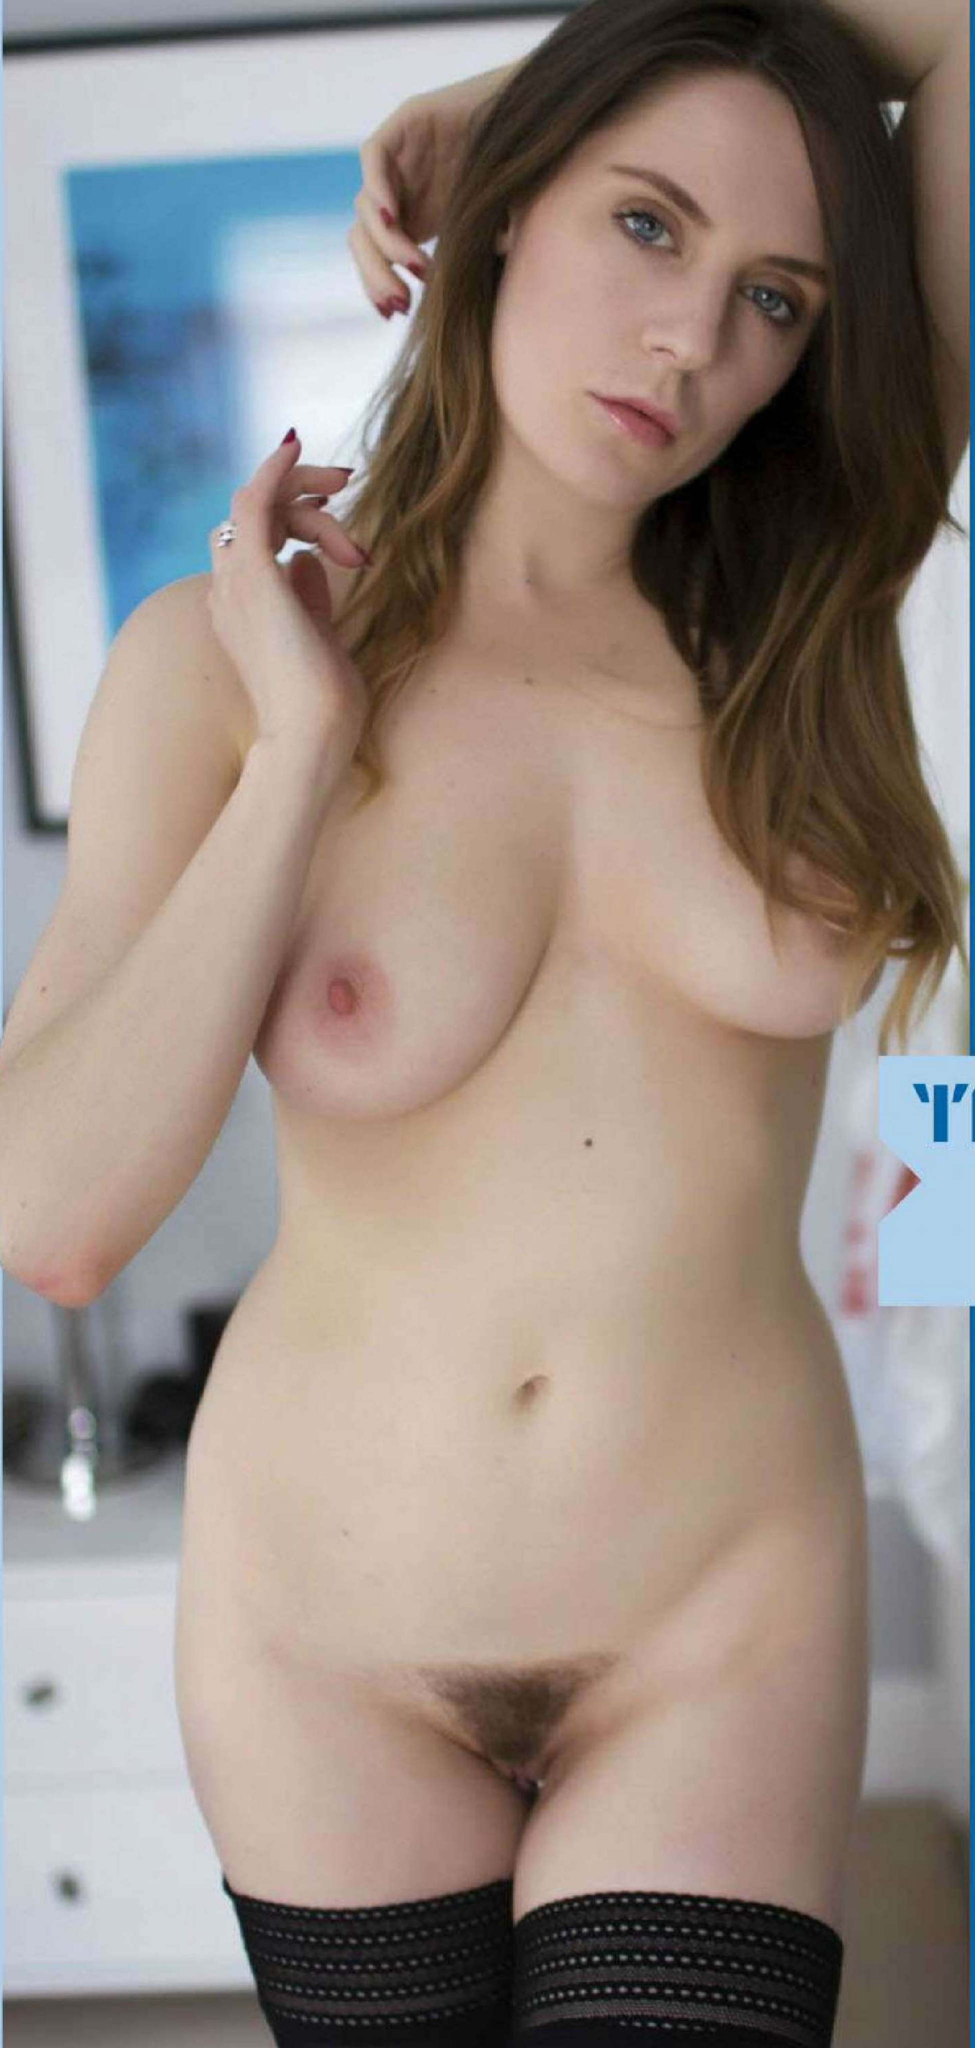
Sam sizzles on teevee's hottest drama!

FEMME FACTS

Name: Samantha Bentley
Age: 27
From: London, England
What's the guts?
Sam does the porno pussy so well that her performances caught the attention of the producers of *Game Of Thrones*. Mainstream stardom beckoned.

AME OF ROOES



OUR better halves always look at us funny when we rave about XXX actrines. But thanks to her appearances on teevee drama *Game Of Thrones* we can pretend that's where we first saw **Samantha Bentley** rather than in her many fantastically filthy flicks!

YOU must've been stoked to land this role in *Game Of Thrones*, Sam.

"They'd used porn stars before – it's a natural choice as we're comfortable naked, and it's just better having performers who are OK having sex on camera."

More than OK! Can you see yourself doing other idiot box stuff in future?

"It'd be cool, but *Game Of Thrones* was such an amazing experience that I doubt anything could top it."

As a adult fillum actrine, you must've seen female bodies from angles we could only dream about!

"I personally think the view of a girl's butt and pussy from behind is INCREDIBLE. I love women, particularly those with small breasts. Their nipples are amazing to touch."

'I'M A DEVIOUS LITTLE NYMPHO'

What's the fastest you've brought a lady to orgasm?

"I'm not sure exactly how fast she came, but it was Lexi Lowe while we were on set for *Story Of She 2*. She was riding my face and I licked her clit while using two fingers. That's how I always do it. It's a sure thing!"

And the quickest you've taken a fella to Ecstasy Town?

"A boyfriend and I once stayed in a hotel for a romantic experience – I started off by giving him a blowjob and deep-throating him. Sadly, he lasted only 15 seconds. He was really embarrassed and apologised profusely."

Poor bastard...but we can understand his excitement.

"I've always been ahead of my years, sexually...I'm a devious little nympho! And, if I could, I'd fuck my boyfriend all day, every day."

FEMME FACTS

Name: Lauren
Age: 23
From: Nottingham, England
What's the guts? Brainiac Lauren is bummin' round Australia without a care in the world. Currently, she only has men, sleep and the great outdoors on her horny mind.

IT easy

Lauren loves chilling out in the nuddy!

PHOTOS BY MET-ART

IF WE could do it all again, we'd start by doing absolutely nothing. That's exactly what naturally blessed **Lauren** did!

The 23-year-old English babe booked a plane ticket to Aussie one day after finishing a five-year university degree with her sights squarely on the simple life, not recruitment sites!

"I was SO burnt out," she told us. "For a start, I love my lazy Sunday afternoons in bed after a long Saturday night partying, but I saw basically none of that last year 'cos my head was buried in text books."

Lauren would have preferred to have her head buried in the hairy crotch of some lucky guy or two.

'MY GOAL IS TO FIND A HOT GUY'

"Fuck studies," she laughed, "now I'm gonna party on and let the chips fall where they may! And sleep in for as long as I like the next day. I'm currently staying in Byron Bay so my goal is to find a hot guy to shag, preferably outdoors now the weather's warming up."

Top stuff. We reckon there's nothing like getting your hump on by a waterfall or on the beach.

"Outdoor sex was new to me before I came out here. I mean, who wants to do it in the English cold? There's nothing sexy about a numb arse when you're trying to enjoy yourself. I much prefer listening to a cockatoo while getting a cock or two."

Ha! Describe a typical day for you in Byron, Lauren.

"Snuggling under my doona for as long as I can, some lazy nookie if I'm with a fella, then a bacon'n'eggs lunch and a cold beer. I don't want to think about careers or my future till I have to go back to England, which is hopefully a long time away."

CITZ STRIPS **KARMA** | The Palace Gallery, SA

SO YOU reckon this is the best strip club Straya-wide?
"Fuck oath! And it happens to be down my way in SA, too, which is a bonus. But it's the best for several reasons."
Giz two.
"It feels more homely and less seedy than some other clubs. The atmosphere rocks. Some of the girls have the best natural tits I've EVER seen. Better than mine!"
We find that hard to believe.

Bad Magic by Motörhead

Warner Music, out now, RRP: $24.99
What's the guts? Goddamn! It's been too long between drinks for our fave heavy metal band Motörhead. So we're stoked as stoked can be to see they have a new album out and it's a fuckin' ball-tearer! It's their 22nnd studio album and we reckon it's their best! Sole original band member Lemmy and mates have been making our eardrums bleed for 40 years and they have no plans of slowing down.
Anything else? Stuffed with venomous attitude and some of the most kick-arse riffs you'll ever hear, *Bad Magic* is a massive kick in the teeth for anyone who thought Motörhead were yesterday's heroes. Ever tune is killer, but we were particularly fond of *The Devil* (featuring a searing solo from Queen's Brian May) and the band's ripping cover of The Rolling Stones' *Sympathy For The Devil*. Trust us, *Bad Magic* is the must-have album of the year for metalheads.
Final word: Rawwwwwk on, Lemmy!

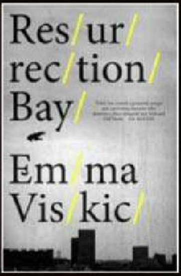
WIN! WE'RE giving away FIVE CDs, thanks to our mates at Warner Music. To get yours, **just tell us IN ONE SENTENCE your fave Motörhead tune.** The five acest answers will receive a CD. Mark your entries "Motörhead comp".

Resurrection Bay

By Emma Viskic
Echo Publishing, out Sept. 1, RRP: $29.99
What's the guts? Deaf dude Caleb is a keen observer of other people and this talent comes in handy when he starts investigating the murder of a childhood friend. Finding the real killer is essential because the police reckon Caleb's the prime suspect. With the aid of a troubled ex-cop, Caleb must track down the mysterious "Scott", the last word the victim texted to Caleb. What is Scott's connection to his death and could Caleb be next on the chopping block?.

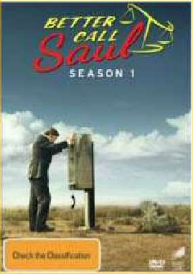


Anything else? Yes! Melbourne-based crime writer Emma Viskic has won a ton of awards and with Caleb she's created a memorable hero. He refuses to let his disability slow him down as he hunts for a painful truth, but will his stubborn efforts lead to heartbreak? Or worse?
Final word: It's a great book... We said...IT'S A GREAT BOOK!!!

WIN! WE'RE giving away THREE copies, thanks to our mates at Echo Publishing. To get yours, **just tell us IN ONE SENTENCE what sound you'd miss most if you were deaf.** The three most interesting answers will get a book. Mark your entries "*Resurrection Bay comp*".

Better Call Saul

Universal Sony, rated M, out September 3, RRP: $44.95 (DVD)/ $49.95 (Blu-ray)
What's the guts? Fans of *Breaking Bad* had mixed feelings when it was announced that a prequel starring shifty lawyer Saul Goodman (Bob Odenkirk) was in production. But they were rapt with the end product, a black dramedy that examines Saul's back story and origins.



Anything else? Set six years before the start of *Breaking Bad*, the series introduces us to Jimmy McGill, a struggling minor-league lawyer in Albuquerque, New Mexico. Working alongside him is another *Breaking Bad* favourite Mike Ehrmantraut (Jonathan Banks). The journey that transforms two-bit hustler Jimmy into a notorious legal legend called Saul Goodman will both entertain and shock you.
Final word: Better watch Saul.

WIN! THE smooth-talking types at Universal Sony have sent us FIVE DVDs of the first season of *Better Call Saul* for this comp. To enter, **tell us IN ONE SENTENCE your fave lawyer-themed movie or TV show.** The five most litigious answers will get a DVD. Mark entries "*Better Call Saul* comp".

THE AMANDA SHOW

We're just extras in Ms Bynes' madcap world

DOES this sound familiar? Cute-as-a-button child star grows up, gets sexy, discovers the wonderful world of substance abuse and goes DOOLALLY, getting herself arrested all over the shop?

Nowadays, it's known as "doing a Lohan", and the latest example of the process is **Amanda Bynes**, 29. Thankfully, she seems to have put a lid on her wacky behaviour at last – she hasn't been arrested for almost a year – but it was touch and go there for a while.

Bynesie was your textbook kid's TV star from the age of 10, winning all the awards and even starring in her own show, *The Amanda Show*, from the age of 13, before making a seamless transition to movies like *Easy A* and *Hairspray* in the early 2000s.

So far, so beaut. But thing started to go pear-shaped in March 2012, when the first of a string of arrests occurred in LA. It was only for talking on her mobile while driving, but a month later she upped the ante by side-swiping a cop car while driving pissed in West Hollywood

Several hit-and-run accidents a few months later while she was still waiting to appear in court on the DUI charge didn't improve her CV any, especially since by that time her licence had been suspended. Fancy lawyering saw some charges dismissed and others downgraded, but Bynesie was already starting to appear as the prime candidate to take Lindsay Lohan's mantle of No. 1 child star gone whacko.

In May 2013, her nuttiest bust happened when she was arrested at her new home in New York for marijuana possession after cops saw her chucking a bong out the window of her 36th floor apartment.

She claimed it was a vase, which was kind of beside the point – they had her dead to rights with the dope. And surely there's a law against chucking vases out of 36th storey windows somewhere on the New York statute books. So really, she was just splitting hairs.

'THE TABLOIDS DISLIKE ME FOR SOME ODD REASON'

This is when the Bynesie train really left the tracks. Her oddball behaviour during her arrest led to a psychiatric evaluation. Two months later, she was observed lighting a small fire in some punter's front yard in California.

Arrested again, she was held for 72 hours while the shrinks rummaged through her brain trying to figure out what was wrong. Her parents had her committed to one of California's finest funny farms for a bit. After her release she announced her intention to become a fashion designer, even enrolling in a college course.

She was pinched for another DUI in 2014, and chucked out of college for attending classes stoned and bribing other students to do her homework.

Happily though, another spell of lying down in a quiet place being tended to by nice people in white coats seems to have done the trick.

She's now out and about on various red carpets acting like nothing had ever happened.

Phew, eh? She had us worried for a while there.
